Dear Jamie

Can I add my personal congratulations to you for being elected as the new MP for Copeland last week. It's certainly been a roller coaster ride for you recently, but it is really heartening to see someone achieve a long-held ambition.

You have been a valuable member of the Sellafield Public Affairs team and I know that [REDACTED] will miss your insight and calm hand in a crisis. However, the good news is that instead we will have an MP for Sellafield who knows the site, the issues and our new world intimately. That can only be a benefit to you and to us.

We had a good solid relationship with your predecessor and I want to reassure you that we will not only seek to retain that with you but, given your local connections, enhance it.

Either [REDACTED] or [REDACTED] will be in touch soon to set up our first meeting in what must be a very hectic schedule for you.

Yours sincerely

Barry Snelson
